

# WANTED - OLD SCHOOL PAINTBALL PLAYERS

**When: Saturday, May 10th**

**Includes 500 rounds of paint & all day air. Field paint only. Stock Class or Open class pumps are fine, no pneumatic-assist or semi-autos please!**

Come on down to the 3rd annual pump day at Riverside Renegades. Yep, that's pump play, like back in the days before paintball was about shooting paint, back when it about the game. Why go back? Why not? Nothing brings about the fun of your first game much like some old style pump play. And with Riverside Renegades unique outdoor field, it's like stepping back to when Line SI and Sheridan ruled the field, and the only tournaments were sponsored by the makers of the Splatmaster. So pull out that old gun, get back out your camo gear (or that Hawaiian shirt) and join us for a friendly, honorable game.
